

Required

Instructions

- The lines are for measuring purposes only.
- 1-10** Gates must be traversed in this numerical sequence: 1-10. Gates may only be entered in the sequence and direction specified. Measurements are from gate leg to gate leg.
- A** Hurdle placed at 45° must be official 10x5 size or made out of PVC. (See Diagram A)
- B** Split S gate must have 2 flags (See Diagram B)
- C** Pilots must fly over the gates at C, not between. (See Diagram C)
- Flags create a line that extends infinitely into space.
